EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

N.B.—The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill, and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue (see *North British Daily Mail*, 3d November 1854). But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same amount,—that is, if one of the parts have the full duty, the others may be unstamped (see *Times*, 6th November 1854). The schedule of the act does not provide for such a Bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom, 17 & 18 Vict. c. 83, § 4. A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. A person taking such bill must get the whole set, stamped, otherwise he cannot recover on it or make it available, ib. § 6. This applies only to bills drawn within and payable out of the United Kingdom.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being any thing formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—

Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money is repealed by 17 & 18 Vict. cap. 83, § 13.

Note.—Stamps may be impressed or affixed.

Where adhesive stamps are affixed, the grantor is required to cancel the stamps by writing his name or initials on them. Penalty for omission, —£10. Penalty for removing adhesive stamps, or using them a second time, or doing any

fraudulent act to defraud of duty,—£20. (16 and 17 Vict. c. 59, § 3, 4, and 5.)

RESIGNATION.—Principal or original instrument of resignation, or service, or cognition of heirs, or charter, or sasine of any houses, lands, or other heritable subjects holding burghage; also instrument of resignation of lands, &c. not held burghage,—5s. Progressive duty,—5s.

SASINE.—Instrument of sasine given on any charter, precept of *clare constat*, or precept from Chancery, or on any wad-et, heritable bond, disposition, apprising, adjudication of any heritable subjects not of burghage tenure,—5s. Progressive duty,—5s.

SCHEDULE OR INVENTORY of heritage or movables, or containing the terms of any proposed sale, lease, &c., or regulations for the cultivation and management of any farm, &c. separate from and referred to in lease, bond, deed, agreement, &c., chargeable with any stamp-duty not exceeding 10s.—the same duty as shall be chargeable on such lease, bond, agreement, &c., and where referred to in such, chargeable with a duty exceeding 10s.,—10s. Progressive duty,—10s.

SCRIP CERTIFICATE, after 4th August 1853, that is to say, any document denoting or intended to denote the right or title of the holder thereof, or any person to any share or shares in any joint-stock or other company, or proposed or intended company, or any certificate declaring or entitling the holder thereof, or any person, to be or become the proprietor of any share or shares of or in any such company, where such certificate, or the right or title to such share or shares shall be, or be intended to be, transferable by the delivery of such certificate, or otherwise than by deed or instrument in writing,—1d. (16 and 17 Vict. c. 63).

SETTLEMENT.—Any deed or instrument, whether voluntary or gratuitous, or upon any consideration other than a *bona fide* pecuniary consideration, whereby any *definite and certain* principal sum or sums of money, or any *definite and certain* shares in any stocks or funds, shall be settled or agreed to be settled upon or for the benefit of any person or persons, either in possession or reversion, either absolutely, or for life or other partial interest, or in any other manner whatsoever,—if such sum or sums, or the value of such share or shares, together, shall not exceed in the whole £100,—5s.

And if the same shall exceed £100, then for every £100, and fractional part of £100,—5s.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with and which shall have paid any such duty exceeding £1, 15s.,

it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced, duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

Exemption from this ad valorem duty.—Wills, testaments, and testamentary instruments, and dispositions *mortis causa*.

The inventory-duty is paid on the whole personal property in Scotland, and probate and administration duty on the whole personal property situated in England and Ireland without deduction of debts; but the Act 5 and 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts owing by the deceased. This repayment must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. If there be any omission in the in-

ventory inferring payment of further duty, an additional inventory of such is required to be exhibited, by 43 Geo. III, c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former inventory. By 16 and 17 Vict. c. 59, § 8, such additional inventory shall be *chargeable only with such amount of stamp duty* as, together with the stamp duty charged upon the former duly stamped inventory of the estate and effects of the same deceased person, *shall make up the full amount of stamp duty*, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former inventory. If the estate be over-estimated, or something improperly included, in the inventory, an inventory on a stamp corresponding to the value must be exhibited, and the original stamp will be allowed on affidavit as a spoiled stamp, within six months of the recording of the second inventory.

LEGACY-DUTY.

On Legacies, Residues, &c.

To Children or their descendants, or lineal ancestors,	Duty pr. ct.
Brother or sister, or descendant,	£1 0
Uncle or aunt, or their descendants,	3 0
Grand uncle or aunt, or their descendants,	5 0
All other relations or strangers,	6 0
The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such nearer relationship. (16 and 17 Vict. c. 51, § 11.)	10 0

This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument.

Annuities are valued for legacy duty according to tables annexed to the Succession Duty Act.

Duty is not exigible on legacies or residues under

£20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount.

N.B.—Printed forms and regulations regarding all the succession-duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country.

SUCCESSION DUTY.—The duty commences on the death of persons dying after the 19th May 1853, and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the act.

Personal Property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personally (§ 1.)

Rates of Succession Duty.

Lineal issue or lineal ancestor of the predecessor, —£1 per cent.

Brothers and sisters of the predecessor and their descendants, —£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants, —£5 per cent.

Brothers and sisters of a grandfather or grandmother of the predecessor and their descendants, —£6 per cent.

Any other person, —£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11.)

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

DISCOUNT ON THE PURCHASE OF STAMPS.

Parties who may purchase *stamps* (except receipt stamps, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in the whole, are allowed discount at the rate of 30s. per cent.—12 and 13 Vict. c. 80: and any person who purchases at the stamp offices of London, Edin-

burgh, or Dublin, stamps for *receipts* to the amount of £5 or upwards, or of any distributor or sub-distributor not within ten miles from said respective offices, to the amount of £1 or upwards, shall receive an allowance at the rate of £7, 10s. per cent.—no allowance for a fraction of a pound.—13 and 14 Vict. c. 97, § 18.

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The solicitor's office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from twelve noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance: Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Glasgow, Greenock, Inverness, and Perth.

A supply of forms of affidavits is kept by the solicitor and the above distributors, and claimants may attend at the solicitor's office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'enight, and within six weeks from the date of the ticket. If not made within that time the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bills or notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged, unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III. cap. 133.

Unsigned instruments are allowed, if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped.—See 53 Geo. III. cap. 108. In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the commissioners of Inland Revenue should be lodged with the affidavit. The commissioners, by 3d and 4th Will. IV. cap. 97, sec. 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the percentage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty, or deficiency of duty, shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, over and above such duty, a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty.—13 and 14 Vict. c. 97, sect. 12.

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners.—13 and 14 Vict. c. 97, § 13.

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, and transmitted to London to be stamped, if within sixty days of the first date, on payment of the duty; if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a Schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5, Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the Cashier, No. 3, Lobby. The instrument will be returned through the Warehouse-keeper, No. 2, Lobby, and it must be called for after eight days, and within twenty-one days from the date of its being lodged.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed against to the Court of Exchequer at Westminster, on the stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict. c. 97, § 14 and 15). The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed the party may appeal. (16 and 17 Vict. c. 59, § 13).

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (*see above*). The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and a full copy (written on foolscap paper) of it, are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

It is desired that there may be appended to the copy of the instrument, a table giving the substance (particularly dates and sums), of its clauses and provisions, and a reference to the page of the copy on which each commences.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a-week to the Head Office. The principal

instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
HIS GRACE THE DUKE OF ARGYLE.

I.—RATES OF POSTAGE.

Inland Letters.

I. With the exceptions afterwards specified, the rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If paid in advance.

Letter weighing not more than half-an-ounce	1d.
“ “ more than half-an-ounce, but not exceeding one ounce . . .	2d.
“ “ more than one ounce, but not exceeding two ounces . . .	4d.
“ “ more than two ounces, but not exceeding three ounces . . .	6d.

and so on; twopence being charged for every additional ounce.

Unpaid Letters.

II. Except on re-directed letters, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half-an-ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

Colonial and Foreign Letters.

III. The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage at page 381.

Addresses to the Queen and Petitions to Parliament.

IV. Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or are in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

Newspapers and other periodical Publications bearing the Newspaper Stamp.

V. Although provision is made for forwarding newspapers, books, and money through the post, it is not compulsory on any one to employ this mode of transmission; everything except letters may be sent in any other way.

VI. All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz.:—

1. They are subject to the same restrictions with regard to the number of sheets and super-

official extent as were lately applicable only to newspapers properly so called. These restrictions are shewn in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halfpence	Three	3443 „
Twopence	Four	4591 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of one penny.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp.
11. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, &c., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged twopence. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Unstamped publications, or stamped publications which have been issued more than fifteen days, can be forwarded within the United Kingdom and to most of the colonies under the regulations of the book post.

VII. Newspapers sent abroad are liable to the same regulations as newspapers passing (under the newspaper privilege) between different parts of the United Kingdom, except that, before going abroad, the name of the newspaper must have been registered at the General Post-Office; and that, instead of requiring to have an impressed stamp, each newspaper, if sent to a British Colony, is liable to a postage of 1d. (which must be prepaid by a postage label or in money), together with an additional postage (as shewn in the Table of Colonial and Foreign Postage) when the newspaper has to pass through a foreign country. In the same table will be found the postage of newspapers sent to foreign countries. In all cases of newspapers going abroad, the impressed stamp stands for nothing.

Parliamentary Proceedings.

VIII. Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

Weighing not more than four ounces	1d.
„ more than four ounces but not exceeding eight ounces	2d.
„ more than eight ounces but not exceeding twelve ounces	3d.
„ more than twelve ounces but not exceeding sixteen ounces	4d.

and so on; one penny being charged for every additional four ounces.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference is only charged.

Printed proceedings of the Imperial Parliament and of the Colonial Legislatures may be sent to or from the Colonies at the rates mentioned in the Table of Colonial and Foreign Postage.

Inland Book Post.

IX. At the following charges, and on the subjoined conditions, book packets may be sent by the post to any place within the United Kingdom:—

Weighing not more than four ounces	1d.
„ more than four ounces and not exceeding eight ounces	2d.
„ more than eight ounces and not exceeding sixteen ounces	4d.
„ more than one pound and not exceeding 1½ pounds	6d.

and so on; 2d. being charged for every additional half-pound or any less weight.

1. The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.
2. Every packet must be sent either without a cover, or in a cover open at the ends or sides.
3. If the postage paid on the packet amount to as much as 4d., it may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open). And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise), in the case of books; and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.
4. But if the postage paid be less than 4d., the packet must consist exclusively of printed matter, without restriction, however, either as to the number of publications or separate sheets, or as to whether they are bound or unbound. If any other matter be included, the packet will be subject to the penalty mentioned in the 9th condition.
5. A book packet, whatever may be the postage paid thereon, must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection; nor must there be any letter nor any communication of the nature of a letter, written or printed, in any such packet or in its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made when any writing is permitted; that is, when a postage of 4d. at least is paid.
6. No book packet can be received, if it exceeds two feet in length, width, or depth.
7. Any packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter, written or printed, in it, or upon its cover, is charged with the “unpaid” or double letter postage.
8. If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate of 4d.; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
9. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of 1d., it must be forwarded, charged with the deficient book-postage, together with an additional rate of 4d.; but any packet which shall bear no postage stamp is charged with the “unpaid” or double-letter postage.
10. In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage is substituted.

Colonial Book Post.

X. The regulations of the Colonial Book Post are similar to the foregoing, and are as follows:—

1. The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.

2. Every packet must be sent either without a cover, or in a cover open at the ends or sides.
3. The packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open); and the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three: Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps; markers (whether of paper or otherwise) in the case of books; and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.
4. The packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made when any writing is permitted; that is, when a postage of 4d. at least is paid.
5. No book-packet can be received, if it exceeds two feet in length, width, or depth.
6. Any packet which shall not be open at the ends or sides, or shall have any letter, or any communication of the nature of a letter, written or printed in it or upon its cover, is charged with letter postage.
7. If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with full postage as an unpaid letter, together with an additional book-rate; that is, with the postage chargeable on a book weighing not more than half a pound. The remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
8. If a packet be not sufficiently prepaid with stamps, but nevertheless bear stamps equal to a single book-rate, it will be forwarded charged with the deficient book-postage, together with an additional book-rate; but any packet which shall not bear postage stamps equal to a single book-rate is charged with the letter-postage.
9. No book-packet weighing more than three pounds can be sent to the East Indies or to New South Wales.
10. In no case can a book-packet be sent to the Colonies (except at the letter rate of postage) through a foreign country.

The following is a list of the Colonies, with the Rates chargeable—

And so on, adding Twopence or Sixpence, as the case may be, for each additional half-pound.

The same rates of Postage must be paid in advance upon Newspapers and other Printed Papers addressed to any of the following countries and places, the correspondence for which is forwarded, as a rule, through France, viz.—Baden, Bavaria, Greece, Lucca, Majorca, Minorca, Modena, the Papal States, Parma, Placentia, Sardinia, Two Sicilies, Spain, Switzerland, Syria, Tripoli, Tunis, Tuscany, Venetian Lombardy, and Wurtemberg, or addressed to any other foreign country, *and specially directed to be forwarded “via France.”* On the class of Printed Papers, the rate paid in this country will cover the whole charge, either to the extreme frontier of France or to the port of disembarkation if they are conveyed from France by one of the French Mediterranean Packets.

Upon Newspapers addressed to the Ionian Islands, *specially directed to be sent via France*, and upon Newspapers for Malta, *specially directed to be sent “by French Packet via Marseilles,”* the same rates of Postage must also be paid in advance.

The following is a list of the places in Turkey, Syria, and Egypt, at which France maintains Post-Offices, to all which the above rates apply, viz.—Alexandria, Jaffa, Beyrout, Tripoli in Syria, Latakia, Alexandretta, Mersina, Rhodes, Smyrna, Mytelene, Dardanelles, Gallipoli, and Constantinople.

All Newspapers, to be forwarded at the lower of the two rates mentioned above, must be posted within Fifteen Days from the date of Publication.

There must be no other writing or marks upon the Newspapers or Printed Papers than the name and address of the person to whom they are sent, nor any thing upon the cover but such name and address, the printed title of the papers, and the printed name and address of the publisher or vendor who sends them.

If any of the above regulations be disregarded, or if the whole postage be not paid in advance, the Packets will either be detained, or forwarded charged as Unpaid Letters.

Newspapers addressed to the Mediterranean or the East Indies, and intended to be sent in the closed Mails by way of Marseilles, will continue liable to the existing regulations, including the present Rates of Postage.

Precautions against Fraud, &c.

XI. The Head Postmaster who first receives a book-packet is required, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine the packet; and every book-packet which is not open at the ends or sides, or which exceeds two feet in length, width, or depth, or which has any letter or any communication of the nature of a letter written or printed in it or upon its cover, or which does not bear postage stamps equal to a single book-rate, is ordered to be sent up, with as little delay as possible, to the Returned Letter Branch of the Circulation Office in London, Dublin, or Edinburgh, as the case may be; but in the case of any other infringement of the regulations, the packet is dealt with by the Postmaster himself.

XII. To prevent obstacles to the regular transmission of letters, any Head Postmaster may, when necessary, delay forwarding a book-packet for a period not exceeding twenty-four hours beyond the ordinary time; and at Packet Offices the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book-packet ought otherwise to be forwarded.

II.—REGISTRATION.

XIII. By the prepayment of a fee of sixpence (which must be made, not in money, but by affixing stamps) any letter, &c., *paying full letter-rate*, may be registered. This will make its transmission more secure, by rendering it practicable to trace it, when inland, from its receipt to its delivery; and when foreign or colonial, if not to its delivery, at least to the port of despatch. The Post-Office does not guarantee the safe delivery of the letter, &c., though the officers are of course responsible to the Postmaster-General, who will call to strict account any one neglecting his duty on this point, and, if his Lordship think proper, will require him to make good any loss that may be sustained thereby.

XIV. Except to the few places abroad to which postage cannot be paid in advance, the postage of registered letters must be prepaid; and if the letter be inland, it must be prepaid in stamps.

XV. To every person who presents a letter to be registered, a receipt is given.

XVI. The latest time for posting registered letters is entered in the Notice exhibited in every Post-Office, such time, unless otherwise directed by the Surveyor, being half-an-hour before the closing of the box for the mail by which it is to be despatched.

Parliamentary Notices.

XVII. Parliamentary Notices may be forwarded through the post under the following regulations:—

1. The words "Parliamentary Notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such Parliamentary Notice should also be legibly printed or written on the face of the letter; though this latter is not imperative.
2. These notices must be posted either at the General Post-Office, St Martin's-le-Grand, in London; the General Post-Office in Dublin; the General Post-Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen	Exeter	Liverpool
Athlone	Glasgow	Manchester
Belfast	Inverness	Newcastle-upon-Tyne
Birmingham	Leeds	Norwich
Bristol	Lincoln	Shrewsbury.
Cork		

3. All notices which by the standing orders of either House of Parliament are required to be served on or before the 15th December, must be posted on or before the 12th December, unless the 12th falls on a Sunday, when they must be posted not later than the 11th; but those notices which by the same orders may be served later than the 15th, may be posted after the 12th of that month.

4. The postages chargeable on these notices must be prepaid by stamps; the registration fee of sixpence on each notice being paid in the usual manner.

5. The notices must be posted at the Post-Office window, accompanied with duplicate lists of the addresses; the letters being arranged, for the convenience of comparison, in the order of the list. These lists are examined by the officer in attendance at the window; and if each list correspond with the address, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post-Office, London.

XVIII. The hours for receiving both Parliamentary Notices and the undermentioned Voting Notices are the same as those for the registry of ordinary letters, unless the Parliamentary Notices be presented at such a time as to interfere with the ordinary duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; providing that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th.

XIX. Whoever sends Parliamentary Notices should, if possible, arrange on the day before with the Postmaster as to the most convenient time for posting them, and state the probable number.

Voting Notices.

XX. On prepayment of the postage and of a registration fee of twopence, a notice belonging to any one of the classes enumerated in the Act 6 Vict. c. 18 (relating to votes for members of Parliament) can be sent through the post with the securities for their safe delivery enjoined by law, provided it be brought duly directed, open and in duplicate, to a Postmaster of an office where money-orders are issued or paid. On receiving the notice, the Postmaster has to compare it with the duplicate; and if the two agree, the latter will be stamped and returned to the bearer.

Poll-books.

XXI. When a poll-book is presented by any returning-officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating therein the time when he received it.

XXII. No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight.

III.—DELIVERY.

XXIII. Letter Carriers and Rural Messengers are prohibited, under pain of dismissal, from demanding or receiving any payment beyond the postage on letters, newspapers, &c., which they are required to collect or deliver; or from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except those which have been regularly posted.

Delivery at Window.

XXIV. Except where the number of daily deliveries is considerable, and where, therefore, the Surveyor considers such a regulation unnecessary, letters are delivered at the window after the arrival of every mail (within office hours) as soon as they can be sorted. In all cases, however, when there is a corresponding delivery by Letter Carriers, the window delivery (whether to the holders of private boxes or to the public generally) does not begin till the Letter Carriers have left the office, nor is it allowed in any way to delay the departure of the Letter Carriers.

XXV. In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post-Office, although for persons residing within a free delivery from such office, but who have no private box, a Postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers, except letters addressed to the military in barracks.

Private Boxes and Bags.

XXVI. Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half-a-guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

IV.—POSTAGE STAMPS.

XXVII. Every Postmaster is required to have on hand a sufficient stock of postage labels and penny stamped envelopes, and to sell them to the public at the following prices:—

Stamped Labels.

Penny Labels, . . .	1d. each.	Sixpenny Labels, . . .	6d. each.
Twopenny do. . . .	2d. each.	Shilling do.	1s. each.
Fourpenny do. . . .	4d. each.		

Stamped Penny Envelopes.

12 to be sold for . . .	1s. 1½d.	4 to be sold for . . .	4½d.
8 " . . .	0s. 9d.	2 " . . .	2¼d.
6 " . . .	0s. 6¾d.	1 " . . .	1¼d.

XXVIII. Every Rural Messenger is authorised to sell postage stamps (including stamped envelopes) at the same prices at which Postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings worth of penny labels.

Stamps.

XXIX. Prepayment of inland letters, &c., must be by stamps, except at the Chief Post-Office, London, where prepayment of such letters from 10 A.M. to 5 P.M. is permitted in *money*, provided that the postage to be paid be not less than £1. In the prepayment of books, also, to the colonies, stamps only must be used; but in the prepayment of letters and newspapers, prepayment can be made either in stamps or money. Except by soldiers and sailors in her Majesty's service, British postage stamps, however, are not available in the payment of letters, &c., *coming into the country*.

XXX. Adhesive stamps, before being used, should be examined to ascertain that they will firmly adhere, as in the event of their falling off, the letters become charged with postage, which in such cases is double the prepaid rate; they should then be placed on the front of the letter, and on the right-hand corner of the upper side.

V.—MONEY-ORDERS.

XXXI. Requisition Forms for Money-Orders are sold at the rate of ten forms for one penny, or of five or any smaller number of forms for a halfpenny.

XXXII. No order is to contain a fractional part of a penny.

XXXIII. With the subjoined exceptions, no Money-Order can be issued unless the applicant furnish, in full, the surname and one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address; and if the name of either party be tendered at greater length, it must be received and advised accordingly.

Particulars required for Money-Orders.

1. If the particulars be furnished in writing (whether by filling up the blanks in the printed form or wholly in manuscript), it will not be necessary to give the Christian name in full; it will be sufficient if the first letter be given.
2. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the parties composing it, as the "Carron Company," to which kind of company the above privilege does not extend.
3. When the remitter notifies in writing that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee. The issuing officer must in such case cross the order in the way that cheques are commonly crossed when they are to be paid through a bank.

XXXIV. When application is made for a Money-Order payable in London, or any other town where there is a plurality of Money-Order Offices, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be paid at the Chief Office alone. It is not, however, incumbent on a Postmaster to supply such information relative to local or provincial offices.

XXXV. An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the Metropolitan Office.

Payment of Money-Orders.

XXXVI. When an order is presented for payment (otherwise than through a bank) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

XXXVII. The holder of a Money-Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money-Order is dispensed with.

Lapsed and Void Orders.

XXXVIII. Money-Orders do not require a receipt stamp.

XXXIX. Payment of an order must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money-Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money will be lost.

XL. No application can be entertained for compensation for alleged injury from the non-payment of a money-order at the expected time; and after once paying a money-order, by whomsoever presented, the Office is not liable to any further claim.

XLI. Under no circumstances can payment of an order be demanded on the day of issue; and as respects orders granted at minor offices, time must be allowed for the advice to pass through the Metropolitan Office.

XLII. In case of the miscarriage or loss of a money-order, a duplicate is granted on a written application (with the necessary particulars) to the Comptroller of the Money-Order Office of the kingdom where the original order was issued; and by a similar application to the same officer, who (except as regards a temporary power to stop payment) can alone act in such cases, authority can be obtained to transfer the payment of an order from one office to another, or to stop payment, or to correct any error in the name of the remitter or payee, or to repay the money to the remitter. Every such application, however, must contain, in postage stamps, a second commission (namely, threepence for an order not exceeding £2, and sixpence for an order above that sum), though one commission will suffice even when, in the same application, more things than one, relating to the same order, are asked for; as both the stoppage of payment and repayment to the remitter. Unless a sufficient reason be given for an exception, the application must be either from the remitter or payee. Whenever, on complaint being made, it is found that the necessity for an application entailing the payment of a fresh commission is attributable to the Post-Office, the stamps transmitted in payment of the commission will be returned; and when it can be ascertained where the blame lies, the officer in fault will be required to pay the additional commission.

XLIII. A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the applicant with the prescribed form of application. Moreover, if payment of an order is refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the Postmaster should advise the applicant for payment to communicate with the remitter, and request him to apply to the Comptroller of the Metropolitan Money-Order Office of the kingdom in which the order was issued, inclosing in his application the additional commission (in postage stamps) chargeable for the alterations required.

XLIV. No Letter Carrier or other servant of the Post-Office is bound to procure a Money-Order for any person, nor to obtain payment for one, but such services are not forbidden.

XLV. No money-order business must be transacted on the Sunday; but for the convenience of the labouring classes the office must be kept open on the Saturday night till eight o'clock (or as near that hour as the despatch of the mail will allow), except where the Surveyor shall consider such arrangement unnecessary.

VI.—MISCELLANEOUS RULES.

XLVI. With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, breadth, or depth, nor any unpaid packet which weighs more than four ounces. The exceptions are—

1. Packets to or from places abroad.
2. Packets to or from any of the Government Offices or departments, or Public Officers.
3. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
4. Petitions to either House of Parliament, forwarded to any member of either House.
5. Printed Parliamentary proceedings.

XLVII. No information can be given respecting letters which pass through a Post-Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Letters must not be returned to Writers.

XLVIII. Postmasters are not authorised to return any letter, &c., to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter, &c. must be delivered to the person to whom it is directed, and to him alone.

Late Letters.

XLIX. Late letters, &c., are received till within five minutes of the despatch of the mails, except in those large towns where the Surveyor may deem an interval of ten minutes necessary, and excepting that no office is to be kept open merely for this purpose after ten o'clock at night.

Prepayment of late Letters.

L. No late letters, &c., must be forwarded by the mail preparing for despatch unless prepaid, and that in stamps, so as to include both the ordinary postage and the late-letter fee.

Re-directed Letters, &c.

LI. With the subjoined exceptions, every re-directed letter, newspaper, or other postal packet, is liable to an additional postage (at the prepaid rate), unless the re-direction be made by an officer of the Post-Office, and be within the district belonging to the same Head Office. Thus, on a paid or unpaid letter, re-directed by an officer of the Post-Office to any other postal district in the United Kingdom, and weighing not more than half-an-ounce, an additional postage is levied of one penny; or if the weight be more than half-an-ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal district in the United Kingdom, and weighing above half a pound but not exceeding a pound, an additional postage of fourpence is levied; or if the book weigh more than one pound but not exceeding two pounds, an additional postage of eightpence; and so on. A registered letter when re-directed is not subject to more additional charge than an ordinary letter. Letters addressed to commissioned officers in the army, navy, or ordnance, employed on actual service in any of her Majesty's colonies, or on any foreign station, may be re-directed to such officers when removed *upon service* (whether at home or abroad), and are delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. The same privilege extends to the letters of the soldiers and seamen described in the Table of Colonial and Foreign Postage, except as regards foreign postage, which must be paid.

LII. Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

LIII. During the time the office is open on Sunday, the public are allowed to prepay foreign or colonial letters, to purchase postage stamps, and to have letters registered; and all other duties as usual, except the issue and payment of Money-Orders, which on that day are wholly suspended.

LIV. At no office is there more than one delivery on the Sunday; and any person is at liberty to prevent even this, so far as relates to himself, as shewn in the following regulations:—

1. Any person can have his letters, &c., retained in the Post-Office on Sunday, by addressing to the Postmaster a written request, duly signed, to that effect.
2. Such request will be held to include newspapers, and all other postal packets, even such as may be marked "Immediate," as no distinction can be allowed.
3. No letters, &c., the non-delivery of which by the Letter Carrier on Sunday has been directed, can be obtained from the Post-Office window on that day.
4. Private box-holders have the option of applying for their letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper but no person can be permitted to engage a private box for Sunday only.
5. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor withdrawn, even after the lapse of that time, without a week's notice.

LIV. No Postmaster is bound to give change, or is authorised to demand change; and when money is paid at the Post-Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

LVI. Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public, though he may do so if his duty be not thereby impeded.

LVII. By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying letters incurs a

penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

LVIII. The date shews when the letters were received at the Post-Office. When the postage was paid at the time of posting the letter, then the stamp in red ink shews the date of such payment.

LIX. The following are exceptions from the exclusive privilege of the Post-Office, in the conveyance of letters :—

1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed :
2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof, commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice :
3. Letters sent out of the United Kingdom by a private vessel (not being a packet boat) :
4. Letters of merchants, owners of vessels of merchandise, or the cargo or loading therein, sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise :
5. Letters concerning goods or merchandise sent by common carriers, to be delivered with the goods which such letters concern, without payment for receiving or delivering such letters.

But the following persons are expressly forbidden to carry a letter, or to receive or deliver a letter, even though they shall not receive payment for the same :—

- a. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack horses ; and owners, drivers, or guards of stage-coaches :
 - b. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between ports within her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board :
 - c. Passengers or other persons on board any such ships, vessels, steam-boat, or passage-boats :
 - d. The sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other her Majesty's dominions.

"Which day the Right Honourable the Lord Provost and Magistrates, being assembled, did, and hereby do, in terms of the powers conferred on them by the Edinburgh Police Act, 1848, make, ordain, and enact the following Bye-Laws for the Hackney Carriages of Edinburgh, and appoint the same to take effect from the first day of October next.

"Extracted from the Minutes of the Magistrates by

"R. MORHAM, Dep. City Clerk."

1. Before any Carriage be licensed, it shall first be examined by the Inspector of Hackney Carriages, who shall report thereon in writing to the Magistrates.

2. Each licensed Carriage shall always be provided with a horse or horses in good working condition, lamps ready for lighting, a check-string, and a board or other signal bearing the word "Disengaged;" and the Carriage and all its appendages, as also the harness, shall always be kept in perfect order and repair.

3. Each licensed Carriage shall have a Number issued for it, which, together with the Owner's name, shall be painted in legible letters, of a light colour conspicuously different from that of the Carriage on a dark ground, or of a dark colour conspicuously different from that of the Carriage on a light ground, and at least one inch in length, on each door immediately below the window-frame; and said Number shall not be transferred to any Carriage other than the one licensed.

Said Name and Number shall also be affixed conspicuously on a card or plate inside, of the following tenor:—

"Name.

"No charge for luggage under 70 lbs."

Each substituted Carriage shall have the Name and Number of the Carriage for which it is substituted painted in the same way as above, on a movable plate or strap, to be placed on each door, immediately below the window-frame, and in like manner shall have a card or plate inside with the Name and Number of the Carriage for which it is substituted.

4. Whenever a licensed Carriage ceases to ply, intimation thereof shall be immediately given to the Depute City Clerk, Council Chamber, and the Licence shall be returned.

5. In the event of a licensed Carriage requiring repair, intimation thereof shall be immediately given to said Clerk; and no unlicensed Carriage shall ply or be substituted for a licensed one until the same shall have been approved of by a Magistrate, and permission granted, specifying the time it shall be used.

OWNERS.

6. Owners, when at the Stance or Driving, shall conform and be subject to all the rules laid down for Drivers. They shall produce the Driver of any Carriage against whom a complaint is made. They shall keep Lists of their Drivers and their residences, and produce the same at all times when required, and they shall be answerable in all cases affecting the Drivers when the Drivers are not forthcoming. When they discharge a Driver, they shall send notice thereof to the Depute City Clerk, giving the cause of dismissal. They shall see that their Drivers are cleanly in their persons and respectably clothed. They shall furnish to the Inspector all reasonable information he may require when in the discharge of his duty.

DRIVERS.

7. No person shall be licensed as a Driver who is not above Eighteen years of age; and

before any person is licensed, he shall produce a satisfactory written certificate of his ability to drive, and of his good character, and shall find caution for his good behaviour, under the penalty of Forty Shillings.

Each Licence shall continue in force for one year only, or until the next General Licensing Meeting.

When a Driver's Cautioner dies or permanently leaves town, the Driver shall report the same to the Depute City Clerk, Council Chamber, to whom he shall deliver his Licence until he find another Cautioner. Drivers changing their residences or employment, shall give immediate notice thereof to said Clerk.

They shall upon all occasions when required, exhibit the Bye-Laws, Table of Fares, and their Licence.

They shall be strictly sober, cleanly in their persons, and respectably clothed, and shall conduct themselves at all times in a proper, civil, and decorous manner, and shall conform themselves in all respects to the Enactments of the Police Act and Bye-Laws, for the time being, for Hackney Carriages.

They shall not be permitted to smoke on the Stances, or when waiting for parties, or when driving.

When a party enters a Coach, they shall deliver a Ticket with the number of the Coach and Name of the Proprietor, and the following words printed thereon—"Reference in case of incivility, loss, or overcharge."

They shall, when driving, hold the check-string, keep the lamps lighted when necessary, observe the ordinary rules of the road, drive carefully, *and exercise extra caution in thoroughfares, and in passing crossings and corners.* When disengaged, the disengaged signal shall be prominently exhibited on the top of the carriage. Drivers shall on no occasion have a companion of their own on the Box along with them.

8. The Stances shall be—

2. The Tron Church, Forrest Road, College, and County Hall.
3. Newington.
4. Tollcross.
5. Stockbridge, Pitt Street, the Railway Station at Scotland Street, and St Mary's Church; and
6. Union Place and Gayfield Square.

The number of Carriages at each of the Stances or divisions of Stances, and the spaces to be occupied, shall be fixed from time to time as may be found necessary.

No Carriage shall be stationed beyond the bounds fixed, or be placed so as to obstruct crossings, nor shall any Carriage be placed opposite any part of the Scott Monument. At Princes Street, West End, no Carriage shall be placed further West than two full Coach lengths to the East of the crossing from Charlotte Street to the West Kirk Gate.

No Carriage shall be allowed to be stationed upon any part of the Public Streets not allotted as a Coach Stance, except at the dismissal of the Theatre, Assemblies, and the like.

When the Carriages are at the Stances, Theatre, Assemblies, or the like, the Driver shall either sit on the Box or stand at the head of his horse, and neither the Owners nor Drivers, nor any one employed by them, shall canvass for employment, or draw out from the body of the Stance in order to go to the rear or to another Stance.

When a Carriage is at a Stance, it shall be held to be disengaged, and no engagement shall be refused.

When a signal for a Carriage is made from a distance, the Carriage first in turn at the end of the Stance to which the signal is made, shall draw off, and in no case shall more than one Carriage at a time do so.

Carriages coming or returning to a Stance, shall draw on to the rear of the Stance, and no Carriage shall be drawn off a Stance, or follow Stage-Coaches or other public conveyances on pretence of employment.

When a Carriage is ordered, the hour shall be punctually kept, and its arrival immediately announced.

All loiterers shall be turned away from the Stances by the Police.

FARES.

9. (I.) FARES BY DISTANCE.

- 1st, The distance to which any Hackney Carriage may be driven under these Bye-Laws, shall be seven miles from the Cross of Edinburgh.
- 2d, When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a Carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay another 6d.

Note.—No measurement of this distance is given in the Tables, but the Public and Drivers may easily compute it, from knowing that it is half a mile *from the Register Office* to the following places, viz., South Castle Street, West End of Regent Terrace, Surgeons' Hall, Nicolson Street, and Gayfield Place, Leith Walk.

- 3d, Excepting the Sixpenny Fare, the Fares by distance shall be as shewn in the annexed Table of Fares. The charges in the Table shall include going from the nearest Stance to the Hirer's residence and waiting ten minutes. But if the Carriage be detained before starting more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the Hirer is to be lifted be beyond the nearest Stance, or above half a mile from the Stance, whence the Carriage is taken, there shall be a charge of 6d. extra.
- 4th, When any Place is not mentioned in the Table, the Fare shall be the same as that to any place mentioned which may be in the immediate vicinity.
- 5th, When the Fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and 6d. for every additional half mile, or part thereof, calculating the distance in the case of the Centre Stance from George Street Assembly Rooms.
- 6th, Half Fare returning.
- 7th, When parties return (which they shall have the option of doing), and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the Carriage be detained longer, a charge will be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.
- 8th, When a Carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the Stance, and a Shilling if beyond that.—Waiting as in section seventh.

(II.) FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the bounds of Police by time, for *bonâ fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half hour, and 6d. for every additional quarter of an hour.

For an Airing into the Country within five miles from the General Post-Office, and returning either by the same or a different road, the rate shall be Sixpence for every ten minutes. A drive round the Queen's Drive to be considered an Airing. Unless the Hirer wishes a slower rate, the rate of driving when out an Airing shall be at least six miles an hour. If the Airing go beyond five miles, the duty to be paid in addition.

(III.) WHETHER THE FARES ARE BY DISTANCE OR BY TIME,—

- 1st, The Hirer pays Tolls.
- 2d, If there be more than four grown persons driven, a charge of 6d. extra shall be made for each additional grown person, and a charge of 6d. for each two children above six years of age. No additional charge for one child above six or children under six.
- 3d, For Luggage exceeding 70 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for Luggage under that weight. The Driver shall assist in loading and unloading in all cases when required.

4th, From Eleven at Night till Eight Morning, Fare and a half.

5th, The above Fares for One-Horse Carriages. The Fares for Two-Horse Carriages shall be one-third more.

6th, Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

(IV.) FARES MAY BE WITHHELD.

Any Party shall be entitled to withhold payment of the Fare,—

1st, When the Name and Number are not painted outside, or when there is no card or plate inside, in terms of Article Second of these Bye-Laws.

2d, When the Reference-Ticket is not offered on entrance.

3d, When the Bye-Laws, Table of Fares, and Driver's Licence are not shewn on demand; and,

4th, When an overcharge is made.

PROPERTY LEFT.

10. All Property left in Carriages shall be immediately returned to the owner if known, or if not known, shall within 24 hours be delivered to the Depute City Clerk at the Council Chambers, and the Driver shall be rewarded in such cases as the Magistrates may direct.

REDRESS.

11. Parties contravening these Bye-Laws are liable for each contravention in a penalty not exceeding Forty Shillings, or to withdrawal or suspension of the Licences, in a prosecution before the Magistrates; and Parties aggrieved will obtain Redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence.

Note.—Attention is specially directed to the 237th Section of the Police Act, which imposes a Penalty not exceeding 10s. on any person who refuses to pay the Regular Fare on demand.

THE Directors of this Company having endeavoured to perfect their system of Life Assurance, by the adoption of every improvement suggested by experience or observation, the arrangements, as they now stand, will be found to secure for Policy-holders every advantage consistent with sound principle.

The Participation Scheme, which was begun in 1840, has been very prosperous. Policies in connexion with it are generally preferred for family provisions.

The next Investigation is appointed to take place at 31st January 1857, with a view to the declaration of Bonuses, in which all parties holding Policies of the Participating Class at that date will share.

Assurances without profits are issued on the most moderate scale of premiums consistent with perfect safety. Policies of this description are most suitable for those who are interested to assure sums of definite amount at the smallest possible outlay.

The conditions indorsed on all the Company's Life Policies, now in course of being issued, are not surpassed in liberality by those of any Institution of equal standing.

Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

Common, Hazardous, and Doubly Hazardous Risks, are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special insurances at increased rates.

EXTRACTS from REPORT by PETER HARDY, Esq., Actuary, relative to the ASSETS and LIABILITIES of the INSTITUTION, as at 31st December 1855.

"I can give the Directors and Members assurance, that the amount of Profit about to be divided has been fairly realised in the past transactions of the Society, and in no way includes future or anticipated Profits. I therefore venture to predict, that if the Society, during the next succeeding five years, makes the same *extraordinary progress* which it has done during the last five, and is conducted with the same steady prudence and sagacity, that the Bonus which will be declared on the occasion of the next Division will, if possible, give even *greater satisfaction* than the present one should do."

LIFE ASSURANCE.

THIS Institution, which combines every advantage of a Scotch and English Office, rests its claim to the support of the *Public generally* on the sound and equitable principles of its scheme.

It combines the *MUTUAL* or Participating, with the *PROPRIETARY* or Non-Participating System of Assurance.

In the former, the Assured are entitled to the *WHOLE* of the Accumulated Profits. In the latter, they are charged the lowest Rates of Premium consistent with security to the establishment.

In both branches the Policy-holders are fully protected by the large Proprietary Capital of the Company, subscribed by a numerous and influential body of Shareholders.

The remarkable success of the Institution will be evident from the result of the *SECOND* Division of Profits, in June 1853, when an Annual Reduction or Allowance of *THIRTY* per cent. was made on the Premiums payable during that and the four following years, or an equivalent addition made to the sum assured; and when it appeared that during the Five Years ending 31st December 1852, New Policies had been issued to the extent of L.864,016; and the total amount assured during the Twelve Years since the foundation of the Institution amounted to L.1,972,506.

During the two subsequent years new Policies have been issued to the extent of L.360,723.

LOANS can be effected with this Company on Policies on the *Mutual* Scale, which have been Five Years in existence, to the extent of the Surrender Value, on the simple deposit of the Policy, without further Security.

FIRE INSURANCE.

Premiums of Assurance against Fire are charged at the usual moderate rates, with a Reduction of L.10 per cent. on the Residences and Furniture of Clergymen of *all denominations*, and the Buildings and Contents of Churches and Church Schools.

Detailed Prospectuses, the necessary Forms of Proposal, and every requisite information as to the mode of effecting Assurances, may be obtained either by letter or personal application at the Branch Office of the Institution, 31 South Hanover Street, Edinburgh.

LIFE DEPARTMENT.

THE following advantages are offered by this Company :—

I. SECURITY.

It is possessed of a very large Subscribed Capital, divided among a numerous body of Proprietors, and thus the absolute security so essential to a Life Assurance Society is afforded in its most substantial form.

II. PREMIUMS.

The Rates of Premium have been calculated expressly for it, and will bear a fair comparison with those of other Companies. **NO ENTRY-MONEY IS CHARGED.** Parties may assure either a specific sum, payable at death, on payment of a reduced rate of Premium; or, on payment of an increased rate, they may participate in the Profit Scheme of the Company.

III. DISTRIBUTION OF PROFITS.

TWO-THIRDS of the Profits arising on the Participating Class of Policies, *without being subject to any charges for Management*, are divided **EVERY FIVE YEARS** among those entitled to participate, on the **MOST EQUITABLE PRINCIPLE**, viz., in the proportion each party has contributed to the Fund.

The following Table shews the Additions made to Policies of £1000 which have been in existence Seventeen complete years, from 1st August 1834 :—

Age when Assured under.	Additions.			Total Sum Payable in case of Death.		
	£	s.	d.	£	s.	d.
30	250	1	6	1250	1	6
35	254	2	6	1254	2	6
40	259	6	11	1259	6	11
45	267	11	10	1267	11	10
50	281	12	7	1281	12	7

Thus averaging upwards of one and a half per cent. per annum on Policies which have been in existence from the commencement of the Profit Scheme in 1834, a period of Seventeen years.

THE NEXT DIVISION OF PROFITS TAKES PLACE IN AUGUST 1856.

The Bonus may be applied, at the option of the Assured, in any of the following ways :—

- I. It may be added to the Sum Assured; or,
- II. Applied in Reduction of Future Premiums; or
- III. Surrendered for its present Value in Cash.

Liberal Sums allowed for the Surrender of Policies after Three Premiums have been paid.

Assurances may be effected on the Increasing or Decreasing Scale of Premiums, and upon Joint Lives and Survivorships.

Assurances without Participating in the Profits on a Reduced Scale of Premiums.

FIRE DEPARTMENT.

This Company Insures almost all kinds of property against accidents arising from Fire, at rates commensurate with the risk.

The Directors can with confidence refer to the promptitude and liberality with which accidental losses are adjusted by this Institution.

Losses by Lightning to Farming Stock are paid.

Copies of Prospectus, and all other information, may be had on application at the Offices of the Company, or to any of the Company's Agents.

THE following are the advantages given by this Company:—

The BENEFITS of MUTUAL ASSURANCE, without liability.

The Guarantee of a responsible body of Proprietors, either personally or otherwise assured with the Office, affords the most undoubted security to all classes of Assurers.

[Continued.]

Edinburgh Life Assurance Company—continued.

NINE-TENTHS of the **WHOLE PROFITS** septennially divisible among the Assured.

This is a larger proportion than can ever be divided by any simple Mutual Assurance Society. The next Declaration of Profits is made 31st August 1856, when all Parties then assured on the Participation Scale will share in the Division.

AN INTERMEDIATE BONUS paid on Policies becoming Claims between one investigation and another.

All the advantage of an Annual Division is thus given, without its attendant evils.

THE MOST EQUITABLE PRINCIPLE OF DIVISION.

The greatest benefits are thereby bestowed upon the oldest Policies, thus securing that First Class Lives shall not suffer by any undue Bonus being paid away to those who may die early.

RATES OF PREMIUM EXTREMELY MODERATE.

The Non-Participation scale is equivalent to a present Bonus of considerable amount, when compared with most other Offices.

ASSURANCES effected in any way that the interest of parties may require.

The Company transact for the Purchase and Sale of Annuities, present and contingent Reversions, &c.

No Entry-Money or other Charge beyond the Premium, as the Company now issue their Policies free of Stamp Duty to the assured.

Claims paid Three Months after Proof.

The Benefits of the Participation Plan of Insurance are exhibited in the following examples of

Bonus Additions to Policies effected with this Company.

THE POLICIES are **INDISPUTABLE**, in terms of the Deed of Settlement of the Company, duly Registered, and are thus rendered **CERTAIN FAMILY PROVISIONS** and **NEGOTIABLE DOCUMENTS OF SECURITY**.

This Company has introduced, as more peculiarly applicable to the Middle and Industrious Classes, a plan of **SELF-PROTECTING INSURANCE**, whereby in one Policy, for one rate of Premium, are combined an Insurance of a Sum payable either at Death or on attaining a specified age, and a Pension or Annuity after that age; and giving the full benefit of all Premiums that have been paid, although the payments should at any time be discontinued.

THE DIRECTORS invite attention to the distinctive features of this Company's BONUS SYSTEM:—

The Company's Profits are divided ANNUALLY.

Each Policy-holder participates in the Profits THE VERY FIRST YEAR HE ENTERS.

Each Policy-holder paying Premiums on the uniform annual scale is entitled to receive AT ONCE IN CASH the value of his Bonus Additions.

NEW ENTRANTS are from the first placed on as favourable a footing as the oldest Policy-holder.

Each Policy-holder receives an EQUAL SHARE of the Profits.

BONUS ASSURANCE AT THE SMALLEST OUTLAY.

By a new adaptation of the Bonus System, the Directors are enabled to offer unusual advantages to all who wish to reduce as much as possible the cost of Life Assurance. The plan is fully explained in a pamphlet which has just been issued by the Company; and it consists in annually surrendering the Bonus Additions, and applying the cash value thereof in reduction of next year's Premium. This reduction is IMMEDIATE, inasmuch as the first return of cash is made before the second premium becomes due, and it is CONSTANTLY INCREASING, inasmuch as a larger return of cash is allowed every year that the party advances in life. The details will be found in the pamphlet referred to above.

SEVEN YEARS' HALF-CREDIT ASSURANCE.

With a view still farther to reduce the cost of Assurance during the earlier years, the Directors have introduced another adaptation of their Bonus System, under the title of "*Seven Years' Half-Credit Assurance.*" Under this system, only half of the premium, with interest on the other half premiums, is required to be paid during the first seven years. At the expiry of that period, the debt which has accumulated by non-payment of the half premiums, is extinguished by surrendering the Bonus Additions which have been allocated in the interval, and by making a small addition to the premiums payable during subsequent years. This increased premium may, however, be largely reduced, by surrendering the future Bonus Additions; and at the death of the party, the full sum in the policy will be paid to his representatives. Detailed explanations, and illustrations of this system, will be found in a new pamphlet just published by the Company.

EXEMPTIONS AS REGARDS FOREIGN TRAVEL AND RESIDENCE.

Unrestricted liberty is granted from the outset to all assured under Whole Life Policies, except seafaring persons, to pass by sea from one part of the world to another without payment of extra premium.

Unrestricted liberty is granted from the outset to reside in many foreign countries without payment of extra premium.

At the end of five years from the date of a Policy, liberty is granted to reside in any quarter of the world without payment of extra premium, on the Assured shewing, at taking out the Policy, that they have no prospect then of going abroad, and provided they do not proceed thereto at any time within the above period of five years from the date of Policy.

SPECIAL PRIVILEGES GRANTED BY THIS COMPANY.

At the end of five years from their date, the Company's Policies (provided satisfactory evidence of age has been produced) are indisputable on any ground whatever, so that the Policy will not be vitiated by any error or mis-statement in the declaration by the Assured; and the sum in the Policy will be paid without reference to the place where, or the circumstances under which, the Assured may have died.

When a Policy falls by non-payment of the Premium from oversight or other cause, no advantage is taken thereof to deprive the holder of the Policy of its full surrender value; and special notice is given that the same will be paid, on application within three months. Thus, no one assured with this Company can suffer pecuniary loss by what is termed "forfeiture."

Policies issued by this Company free of charge for Stamp Duty, for Entry Money, or for Medical Fees.

Copies of the Company's Pamphlets, Forms of Proposal, &c., may be had at the Offices, or from any of the Local Agents.

THE COLONIAL LIFE ASSURANCE COMPANY

Was established in 1846, for the purpose of extending to the Colonies of Great Britain, and to India, the benefits of Life Assurance, and for the purpose of giving increased facilities to persons visiting or residing in foreign countries.

The general management of the Company is under the direction of persons who have been long practically acquainted with, and connected with the working of Life Assurance institutions; and it has been the study of the Directors to afford all those advantages to their Policy-holders abroad which are commanded by Assurers in this country.

For the purpose of giving increased facilities, also, in the Company's transactions, the Directors have formed Local Boards of Management, and Branch Offices, in the different Colonies, where Assurances may be effected and Premiums paid.

[Continued.]

*The Colonial Life Assurance Company—continued.***RATES OF PREMIUM.**

The European rates of Premium are charged for residence in British North America, the Cape, Australia, and parts of the United States.

Moderate rates of extra Premium are charged for the East and West Indies, and other places abroad.

DIVISION OF PROFITS.

The first Investigation and Division of Profits took place as at 25th May 1854, and the addition to Policies was at the rate of £2 per cent. per annum of Reversionary Bonus, as shewn in the following Table—the examples being Policies of £1000:—

Policies opened before	Original Sums Assured.	Bonus Additions.	Total Sums Assured.
25th May 1847, . . .	£1000	£160	£1160
“ 1848, . . .	1000	140	1140

“ 1850, . . .	1000	100	1100
“ 1851, . . .	1000	80	1080
“ 1852, . . .	1000	60	1060
“ 1853, . . .	1000	40	1040
“ 1854, . . .	1000	20	1020

The additions to Policies of larger or smaller amount are in the same proportion.

Future Investigations and Divisions of Profits will be made every five years. The next will take place at 25th May 1859.

CLAIMS SETTLED IN THE COLONIES OR AT HOME.

From the extent and nature of the Business transacted by this Company, the advantages afforded to Assurers cannot fail to be very great.

The HOME BONUSES derives much advantage from the Company's widely-extended business, and the Profits are increased in consequence.

AMIDST the many and various Systems of Life Assurance presented to the public notice, that of the LIFE ASSOCIATION OF SCOTLAND is undoubtedly well suited to the circumstances of the majority of persons who effect Assurances, as is evident from the rapid and unexampled increase of the Policy-holders. *During the last four years alone*, there have been upwards of *Four Thousand New Entrants*, assuring their lives for nearly *Two Million Pounds Sterling*.

The Policy-holders of the Association incur none of the risks of partnership. They are free from all responsibility, and the Sums Assured are guaranteed in any event.

The Transactions amounted in April 1855 to THREE MILLION THREE HUNDRED THOUSAND POUNDS, assured on 8200 lives. The Annual Income is ONE HUNDRED THOUSAND POUNDS.

The PROFITS are allocated *every year* amongst Policy-holders of five years' standing; and the share of each is handed to him *in money* at the payment of his next Annual Premium. Accordingly, for many years past, Policy-holders of the First Series have been required to pay only 13s. per pound of their premiums—the remaining 7s. per L.1 having been paid out of the Profits of the business. The following are examples:—

Age at Entry.	Annual Premiums for Assurance of L.1000.	Annual Return of Profit paid by Office.	Premiums have been thereby reduced to
25	L.21 18 4	L.7 13 4	L.14 5 0
45	37 1 8	12 19 7	24 2 1
60	65 10 0	22 18 6	42 11 6

One-half only of the first six years' premiums need be paid under Policies of not less than L.500—the other half bearing interest, and remaining unpaid during the pleasure of the assured. The following are the first payments under that system for

Policies of £500 with a Share of Profits.

Age.	Age.	Age.	Age.

The Second Series of Participating Assurances commenced on 6th April 1855.

The Rates for Non-participating Assurances have lately been readjusted, and are now *lower than those of any other Scottish Office*, and one-half only of the first five years' premiums need be paid. The following are the first payments under that system for

Policies of £500 without a Share of Profits.

LIFE INSURANCE.

THE DIRECTORS of this COMPANY have made five Divisions of Profits, when vested Bonus Additions have been allocated to every existing Policy on the Profit Scheme.

At the last allocation, after providing for a Bonus at the rate of ONE POUND FIVE SHILLINGS *per cent. per annum*, a large sum was carried over to increase the Fund for future Division.

NINE-TENTHS, or NINETY *per cent.* of the NET PROFITS in the Life Assurance Branch, are appropriated to the Policy-holders, the remainder being added to the Guarantee Fund.

It will be kept in view that, while the Bonuses are so considerable, the Company's Premiums are generally lower than those of most other Offices.

The PROFITS are Divided ANNUALLY; and every Policy on the Participating Scheme, opened before 15th May, shares in each Division.

NO CHARGE is made for the *Policy Stamp, Entrance Money, Medical Fee*, or any other payment but the Premium.

Persons assuring their own Lives obtain relief from Income-Tax on that portion of their incomes which they devote to this purpose.

Attention is directed to a NEW and REDUCED TABLE of RATES for Assurances, with right to Profits, of which a Specimen is given below. A pamphlet, containing special explanations, may be had at any of the Company's Offices, or from the Agents.

THE ONLY OFFICE WHICH COMBINES THE BENEFIT OF PARTICIPATION IN THE
WHOLE PROFITS WITH MODERATE PREMIUMS.

THE PREMIUMS, at early and middle ages, are about a fourth lower than in the other Mutual or Participating Offices. They are about as low as the *Non-Participating* rates of the Proprietary Companies,—which they admit of being, not only with safety, but with ample reversion of Profits to the Policy-holders, being free from the burden of Dividends to Shareholders.

The arrangement by which the Premiums are reduced to a rate commensurate with the risk, is obviously more suited for securing a competent family provision, in case of early death, than that which, by the same yearly outlay, secures a much smaller present sum, with the hope only of prospective and contingent additions. It will be borne in mind, moreover, that the higher immediate assurance in this Office does not involve the sacrifice of the Member's interest in the Profits; but that, on the contrary, there is good ground for anticipating as large eventual additions for those who live to participate, as can be given on the system of the other Offices, notwithstanding their higher rates of premium.

Examples of Annual Premium to Assure £100 at Death.

Age 25	30	35	40	45	50
£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

Thus, a person of 30 may secure £1000 at death, for a yearly payment of £20, 15s., which, if paid to any of the other Mutual Offices, would secure a Policy for £800 only, instead of £1000.

PROFITS.

The principle on which the PROFITS are divided is at once safe, equitable, and favourable to good Lives—the Surplus being reserved for those Members who alone can have made Surplus Payments; in other words, for those whose Premiums, with accumulated Interest, amount to the sums in their Policies.

The practical working of the system has been that, at the First Division of Surplus, Bonus Additions were made to the Policies which had come within the Participating Class, varying from 20 to 54 per cent. on their amount.

In all points of practice—as in provision for the indefeasibility of Policies, facility of Licence for travelling, or residence abroad, and of obtaining advances on the value of the Policies—the regulations of the Society, as well as the administration, are as liberal as is consistent with right principle.

Reports explanatory of the Principles, with every information, may be had on application at the Head Office, or any of the Agencies.

THE ROCK LIFE ASSURANCE COMPANY was established in 1806; and its success has been such, that the earlier Policies have been increased by Bonus additions from £100 to £259, 11s. The Company consists of a numerous body of Proprietors, holding Shares in its Capital Stock; which, together with the Premiums of Assurance, and the accumulated Interest thereon, constitute a large and Increasing Fund of upwards of **THREE MILLIONS Sterling**, INVESTED in real and Government securities, as a guarantee for the fulfilment of its engagements.

Assurances upon the lives of persons are taken from £100 to £10,000.

The Company issues Policies to the extent of one-fourth of the amount Assured on existing Policies, without requiring payment of Premiums for such increase, on the Assurers depositing their existing Policies, and signing an Agreement that the Premiums for the New Policies, with compound interest at 4 per cent., shall be deducted from the amount of such deposited Policies, and Bonus additions thereon, when the same become claims.

Persons effecting New Assurances may secure a portion of the future Bonuses, by increasing the amount of their Policies 25 per cent.; the Premiums, with Compound Interest at 4 per cent., on such extra Assurances remaining unpaid until the Policies become claims.

The amount divided on 20th August 1854, out of the realised profits of the seven preceding years, was **£609,761, 17s. 9d.**

The Bonus allotted to a Policy, payable on its becoming a claim, may be received in an equivalent present payment in Cash, or applied in reduction of the Annual Premium. The next Division of Profits will be made in the year 1861.

The Company advances money on security of its Policies, according to their value.

No charge is made by the Company for Stamps on its Policies.

The usual Commission will be allowed to Agents and Solicitors.

As evidence of the great advantages afforded to Assurers in this Office, the Directors select an instance of a £500 Policy, effected in 1806, upon which £585, 7s. 6d. had been paid for Premiums. The Bonuses made to this Policy, payable on its becoming a Claim, amounted in 1847 to £641, 1s. 8d., for the Redemption of which Bonus the Assurer received £465, 2s. 7d. in cash; and then wishing to extinguish all future Premiums on the Policy, paid to the Company £88, 0s. 6d. in lieu thereof, thereby realising a present gain of £377, 2s. 1d. without prejudice to any future Bonus. The further addition made in 1854 was **£156, 13s. 4d.**

Examples of the Additions which have been made to a few of the Policies up to 1854:—

No. of Policy.	Sum Assured.	Amount of Bonns.	Total Amount.

All Claims on Policies issued in Scotland are payable on Scotch confirmations.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted to afford provisions for families. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are Assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

THE STANDARD LIFE ASSURANCE COMPANY was established at Edinburgh in 1825. The Acts of Parliament, 2° & 3° Gul. IV. cap. 81, and 8° & 9° Vict. cap. 75, have been granted for the purpose of its constitution and for the regulation of its affairs. It has been conducted with much success, and that result may be attributed not only to the extensive and influential connexions of the Company, but more particularly to the liberality of its dealings, and to the constant attention paid by the Directors to the adoption of improvements and facilities in connexion with the contract of Life Assurance.

[Continued.]

The Standard Life Assurance Company—continued.

PROGRESS OF THE BUSINESS.

THE SUMS ASSURED WITH THE COMPANY AMOUNT TO UPWARDS OF FIVE AND A HALF
MILLION POUNDS STERLING;

THE INCOME OF THE COMPANY IS ABOUT A QUARTER OF A MILLION; AND

DURING THE YEAR 1855, THE COMPANY TRANSACTED A LARGER AMOUNT OF BUSINESS THAN ANY
OTHER ASSURANCE OFFICE IN GREAT BRITAIN.

BONUS ADDITIONS.

The Profits of the Company are divided at intervals of Five Years. Five divisions have already been made, and the following examples will serve to shew the extent of benefit hitherto derived by Assurers on the Participation Scheme of the Company.

EXAMPLES.

I. Application of Bonus as an Addition to the Sum Assured.

By this method the Sum Assured, payable at death, is increased, without any alteration in the Annual Premium paid to the Office. Thus—

A Policy opened in 1825 for..... £1000 0 0
received—

At the Division of Profits in 1835, an addition of	£137 10 0	
At the Division in 1840	200 0 0	
At the Division in 1845.....	262 10 0	
At the Division in 1850.....	273 0 0	
And at the Division in 1855.....	279 0 0	
Total.....		1152 0 0

Making the Sum now Assured..... £2152 0 0

Again,

A Policy opened in 1839 for..... £2000 0 0
received—

At the Division of Profits in 1840, an addition of	£50 0 0	
At the Division in 1845.....	175 0 0	
At the Division in 1850.....	252 0 0	
And at the Division in 1855.....	306 0 0	
Total.....		783 0 0

Making the Sum now Assured..... £2783 0 0

The additions are in the same proportion for Policies of larger or smaller amount.

Policies will receive further additions in 1860, and at every subsequent period of division the lives survive.

II. Surrender of Bonus for Value in Cash.

According to this method, if the person assured does not wish the sum in his Policy increased, he may surrender the Bonus, and take its value in cash; that is, instead of the amount being paid with the sum assured at death, such a sum will now be given as the Directors may consider equivalent to it in present value.

In the case of the Policy of L.1000 opened before 15th November 1825, for instance, as quoted above, assuming the party to have assured at the age of 35, and to be now 65 last birthday, the sum of L.665, 15s. 2d. would be given for a surrender of the Bonus of L.1152, while the Policy will continue to receive its share of Profits at future investigations, as if the surrender had not taken place.

And the value of the additions to the L.2000 Policy of 1839, assuming the party's age to be now 55, is L.371, 5s. 11d.

III. Application of the Bonus to the Extinction or Reduction of Annual Payments of Premium for the Whole Term of Life.

A Policy was opened with the Company in 1826 for L.2000, on a life then aged 45. The policy has received additions to the extent of L.2190; but the party wishes to get quit of his annual payments, by giving up a portion of his Bonus Additions; on what terms can he do so? He pays an annual premium of L.74, 15s., and by surrendering L.671, 18s. 2d.

[Continued.]

The Standard Life Assurance Company—continued.

of his Bonus, he will get quit of all future payments, have an addition of L.1518, 1s. 10d. to his Policy, and will continue to receive further additions at each investigation he may survive.

A person, who, at age 30, assured in 1835 for L.500, has right to a Bonus of L.291. His annual premium is L.12, 12s. 11d. By surrendering his addition he will be allowed an annual reduction on his premium, for life, of L.8, 17s., so that his future annual payment will be L.3, 15s. 11d., instead of L.12, 12s. 11d. as formerly; and he will continue to receive Bonus Additions at each investigation he may survive, as if the surrender had not been made.

IV. Application of the Bonus to the Extinction or Reduction of Annual Premium for Five Years.

A person aged 20, opened a policy in 1825 for £1000, at a premium of £20, 10s. 10d. His Bonus Additions amount to L.1152. By surrendering L.224, 1s. 10d. of these additions, he gets quit of the payment of his premium for 5 years, the Company being liable during that period, in the event of his death, to pay to his heirs the original sum assured, L.1000, and the Balance of the Bonus Additions not surrendered, L.927, 18s. 2d. This policy is of course entitled to future additions at the end of each period of 5 years the party survives.

A person, aged 50, assured his life in 1845 for L.500, at a premium of L.22, 2s. 6d. The Bonus on this policy amounts to L.87, 5s. (the present cash value of which is L.46, 6s. 3d.), and by surrendering this sum, the annual premium for the next 5 years will be reduced by L.10, 10s. 1d., making the premium L.11, 12s. 5d., instead of L.22, 2s. 6d., for five years.

RESOLUTIONS AS TO SELECT ASSURANCES,

Adopted in 1851, and Amended in 1856.

1st, That Two CLASSES of SELECT ASSURANCES shall be opened by the Company.

The Policies of parties admitted to the "First Class of Select Assurances," shall, subject to payment of the ordinary Premiums, be UNCHALLENGEABLE upon any ground whatever; and the Assured may, without forfeiting these Policies, or payment of extra Premiums, reside or travel in any part of the world.

The Policies of parties admitted to the "Second Class of Select Assurances," shall be subject to the existing Conditions of the Company as to residing or travelling beyond the limits of Europe, and as to Military or Naval Service; but, with these exceptions, and subject to payment of the ordinary Premiums, shall also be absolutely UNCHALLENGEABLE.

2d, That parties who hold policies with the Company of *five years'* duration shall be admissible to these Classes, and that this privilege shall extend to existing as well as future Assurances.

3d, That no expense shall attend admission to either Class of Select Assurances.

4th, That admission to these Classes, First or Second, shall depend on the circumstances of each case, to be judged of by the Directors, and that a special application be made to the Board of Directors accordingly.

5th, That, on the application being granted, a certificate of admission shall be given under the hands of three of the Directors.

RESOLUTIONS AS TO THE FORFEITURE AND REVIVAL OF POLICIES.

Adopted 1st May 1856.

"1st, That Policies of *five years'* duration, effected for the whole term of life at a uniform rate of premium * shall not be forfeited in consequence of non-payment of any ordinary premium, notwithstanding the expiry of the thirty days of grace; provided payment shall be tendered before the expiry of thirteen months from the date of such premium falling into arrear, reckoning, not from the end of the days of grace, but from the regular date when the premium fell due; and no evidence of health shall be required—but the Directors shall

* This does not include Survivorship Assurances, Joint Lives and Survivorship Assurances, and Assurances on which any portion of the premiums may be allowed to remain unpaid as a debt on the Policy.

The Standard Life Assurance Company—continued.

not receive payment of any such arrear except with a fine of five per cent. per month on the premiums in arrear. At the expiry of such period of thirteen months, the Policy shall be entirely forfeited, and the Directors shall calculate the value of such Assurance according to their usual practice, and carry the same to a 'Forfeited Policy Account,' to the credit of the persons who were interested in the Assurance so forfeited, to remain there till the end of five years from the regular date when the premium fell due which was not paid. But if no claim shall be made and substantiated for such calculated value within the said period of five years, the same shall be carried into the general funds of the Company, for their own use.

"2d, That *all other policies*, on which the ordinary premium may not be paid within the thirty days of grace allowed for payment, shall be forfeited, but may be revived by the Board of Directors within three months from the regular date of such premium falling due, if the Directors are satisfied with the explanation given as to the cause of non-payment—the parties proving it to have been an oversight;* and if the Directors are thus satisfied, medical evidence as to the health of the party whose life is assured shall be dispensed with; but the Directors shall impose a fine not exceeding 10 per cent. on the premium in arrear. If the Directors are not satisfied, from the circumstances stated, that the forfeiture of the Policy was through oversight, or if the period of arrear exceed three months, the policy may still be revived on evidence of health and habits satisfactory to the Directors, provided application be made within thirteen months from the date of the premium falling into arrear, reckoning, not from the end of the days of grace, but from the regular date when the premium fell due; but the Directors shall impose a revival fine, not exceeding 5 per cent. per month on the premiums in arrear. The Directors to be the sole judges of the evidence relating to health and habits, and entitled to decide accordingly."

MINIMUM PREMIUMS FOR LIFE ASSURANCE.

The following are the LIFE PREMIUMS for Assurances of £100 at Death, Charged by the SCOTTISH AMICABLE LIFE ASSURANCE SOCIETY on the terms stated below:—

The rates of Addition at the Investigations at 31st Dec. 1832, and 31st Dec. 1839, were $1\frac{1}{2}$ per cent.; at 31st Dec. 1846, 2 per cent.; and at 31st Dec. 1853, $1\frac{3}{4}$ per cent.

REDUCED RATES FOR SHORT PERIODS.

THE
SCOTTISH REGISTER AND HOME INSTITUTION
FOR DOMESTIC SERVANTS,

6 QUEEN STREET, EDINBURGH,

(FIRST DOOR WEST FROM QUEEN STREET HALL.)

Chairman of Acting Committee.
 THE REV. GEORGE COVENTRY, B.A.

Honorary Secretary.
 PATRICK DALMAHOY, Esq., W.S.

Treasurer.
 D. S. PEDDIE, Esq., C.A.

Secretary.
 MR JAMES COLSTON.

THIS Institution differs essentially from the various Registers for Servants in this City. Unlike these, it is neither under the management of a Committee of Men-Servants, nor conducted by a single individual, of however undoubted respectability and excellent intentions, without direct and exclusive reference to a Committee of the employing classes. Its management is vested in a Committee of gentlemen, chosen at an Annual Public Meeting, from among its members, being those Householders who contribute yearly to its support.

Its objects are—(1.) To provide a Register for obtaining respectable and suitably qualified Servants for Families, and for procuring situations for such Servants. (2.) To provide a Home, for affording a temporary residence to Female Servants when not in service. (3.) To promote generally, by such means as shall appear expedient, the temporal and spiritual welfare of Domestic Servants.

Householders contributing 2s. 6d. *per Annum*, are Members of the Institution, and entitled to apply for Servants as often as they find necessary, free of all charge. Parties not members, on applying for Servants, pay a fee of 1s. 6d. for each Servant wanted.

Servants applying for situations pay a fee of 1s. 6d. when wages expected are £11 *per Annum*, and upwards, and 2s. when above that sum; and General Servants, or Maids-of-all-work, whose wages do not exceed £7, pay a fee of only 1s.

Application to be made to

P. SCOTT, *Clerk*.

Matron of Home,—MRS SINCLAIR.

Taper Brass and Copper Tubes; Open Joint Tube for Beading; Patent Cased for Rails and Picture Rods. Lead, Composition, and Patent Tin Tubes; Tubes made expressly for Beer Engines and Pump Chambers.

PATENT WELDED MALLEABLE-IRON TUBES, AND WROUGHT-IRON FITTINGS.

 *As Scotch Agent for the English make of Wrought-Iron Tubes, W. Johnston calls special attention to the fact of their decided superiority over the Scotch make; and also requests comparison of Prices and Discounts, he being in a position to put GAS COMPANIES, SHIPPERS, CONTRACTORS, &c., on the very best Terms. When quantity is required, they can be had cut to any given sizes, free of extra charge, and delivered free at the principal Shipping Ports in England or Scotland. A large Stock always on hand of every variety of equal and diminishing WROUGHT-IRON Tees, Knees, Bends, Crosses, &c.*

GAS LUSTRE MATERIALS.

This has always been the leading Department of the GLASGOW TUBE AND METAL WAREHOUSE since 1849. Previous to that time such goods could only be had in Scotland direct from the Makers, by having a multiplicity of accounts, in which case the Carriage of separate lots of Goods was very heavy, besides the long and vexatious delays which were necessarily incurred; and when access was not to be had direct with the Makers, orders had to be given through general Factors, who could not be expected to know the trade, or through shopkeepers and retailers in Edinburgh and Glasgow, at greatly increased prices.

W. JOHNSTON is now, and long has been, the *ONLY PARTY* in the Kingdom who keeps a Stock of ALL THE ARTICLES REQUIRED BY GAS LUSTRE MAKERS, BRASS-FOUNDERS, and PLUMBERS. No Agency is undertaken unless put in a position to supply all parties at least as cheap as if ordered direct from the Works; and a Stock of several thousand pounds' worth is kept up for the convenience of the Trade, and security of the position the establishment has obtained in the estimation of the LAMP-MAKERS, GAS-FITTERS, and PLUMBERS of Great Britain.

STAMPED, or ROUGH-STRUCK WORK.

A large and amply assorted Stock is kept—in Lamp Bodies, 2, 3, 4, 5, and 6 light; Balance Weights, Vases, Knobs, Husks, Spouts, Arms, Pillars, Rosettes, &c. In this branch there are only six makers; two, of the old school, travel the country; with the other four W. JOHNSTON is directly and indirectly interested, and has the exclusive sale of their products in Scotland and Ireland. It must thus be apparent that no single maker—even were he not of the old-fashioned and high-priced school—could give the same assortment as one who virtually represents the whole real trade in such goods; and besides getting special orders quite as promptly executed, a Stock, not to be met in all Birmingham, is open to be selected from.

MISCELLANEOUS.

METALLIC CORD for Balance Weights; BRASS WIRE CHAIN, open and close Link; MACHINE-MADE CHAIN (Johnston's Registered and other Patterns) for Balance Weights; PURE BLACK LEAD, kept specially for Bronzing Work; LACQUERS of all shades, Green, Gold, Pale, &c.; DIPPING, AQUAFORTIS, AND MARINE ACID, made specially for Brassfounders' use; CRUCIBLES; CIRCULAR, POLISHING, and FINISHING LATHE BRUSHES; BRASS WASHERS; LINKS, Cast and Stamped; ROLLERS, for Chain of the improved description, either *Rough* or *Lacquered*; GLASS ORNAMENTS (see page 5); NEW PARIAN VASES, for Gas Lustre Centres.

SUITABLE FOR THE MANUFACTURE

OF

GAS LAMPS BRACKETS &c.

Among his Agencies for this beautiful and exceedingly cheap Bohemian Manufacture (20 to 25 per cent under English makers prices) W. Johnston, confines his trade to the best makers respectively of Flint, Coloured and Opal Glass. It being a well known fact that makers of note confine themselves to the Manufacture of only one description of Glass although they may in some cases sell several sorts not their own make. It will thus be apparent that no single maker or Agent for any single maker, can supply the trade so advantageously as this Establishment which holds the Agency for Four different manufactories of the highest standing. Sheets of Drawings of several of the leading Patterns, may now be had on application.

Cut Glass, Coloured, Gilt, & Enamelled, Girandoles or M. P. Lustres, also elegant Mantle Piece Vases, Toilet Bottles, Decanters &c. &c. to which the attention of Glass Shops, Housefurnishers, Chemists, & Perfumers is respectfully requested. W. J. being the only resident Wholesale Agent for such goods in Scotland.

Private Patterns made to Pattern or Drawing when quantity is required & kept exclusive from general sale.

CAST-IRON GOODS of the most Modern and Improved description, in Rain-Water Pipes, Runs, Bends, Angles, Shoes, Cups or Pipe Heads, Swan Necks, Sinks or Jaw-Boxes, Closet-Metals, and every other description of Cast-Iron Goods required by the Trade. From arrangements with the two first Founders in Glasgow, the Prices and Terms will be exactly the same as if ordered direct from a respectable foundry; and orders are more likely to be carefully and promptly attended to, than if sent to a foundry devoted to Miscellaneous Castings.

EARTHENWARE GOODS.—Sole Agent for Messrs. Sharpe, of the Swadlincote Potteries, whose Cheap and Durable Ironstone Ware is the best in the Market. PAN CLOSET BASINS, 2s. 9d. each; SHIP CLOSET BASINS, 2s. each, white inside, and cane colour outside. Basins and Traps, complete and separate; Angle, Flat, and Cradle Urinals, all sizes, in same description of Ware, equally Cheap.

Urinals, about fifty varieties in Stock, applicable to all sorts of buildings and situations. Also the only Stock in Scotland of Fountain Basins, Table Tops, Wash Tubs, Wash-hand Plug Basins, Cabinet Stands, and Patent Closets of all sizes, and from the plainest to the most richly gilt and ornamented.

W. JOHNSTON'S Improvements in Machine-made Water-Balls, Closet Pans, &c., are so well known as scarcely to require notice; but it is not generally known that any article in Copper, Brass, Zinc, or German Silver, of a circular shape, can be made more truly correct, with a better finish, and cheaper by the mode employed in his Birmingham Works, than by any other process yet discovered. In Closet Pans, 9, 9½, 9¾, 10, 10½, and 10¾ inches diameter, his make now commands the almost exclusive sale in this market; also his Copper Water Balls, all sizes, 4 to 10 inches diameter. Brass Counter and Cabin Basins, without seam or hammer mark, 9 to 14 inches. Reflectors, Metal Bowls, and other dishes or similar shaped articles, can be produced by this process of manufacture.

BRASS WORK of every description required by the Trade. Nose, Stop, and Ball Cocks, Common Key and Patent Valve Sorts, Swan Neck Cocks, Pumps of all sizes and kinds, Water Closets, &c., &c., including all the newest patent inventions and improvements.

MISCELLANEOUS.—Soldering Irons, Tomkins, Scrapers, Chipping Knives, Ladles, all sizes, 2 to 10 inches; Melting Pots, Brass and Iron Chain. **METALS.**—Zinc Runs, Ridges, and Pipes; Holdfasts, Pump Chambers, Annealed Copper Wire, and all other Furnishings required by the Trade, and none but the Trade supplied. Old and Scrap Zinc taken in exchange.

GAS FITTINGS.

The usual variety of what are termed *Small Fittings*—including Couplings, L Cocks, Stop Cocks, Wing Joints, M. P. Joints, Ring or Cup Joints, Ball and Sockets, Centre Joints, suited for either Brass, Iron or Tin Tube; Galleries or Glass Holders (*Johnston's improved Machine-made Gallery, at half the price of Cast ones*). BRACKETS, plain and ornamental, of the newest and richest designs.

REFLECTORS.—Plated Copper Reflectors kept in Stock from 3 inches to 30 inches—but all sizes can be made, either Concave, Convex, Plated, Parabolic, or Cone shape, to order, on the shortest notice, as the workmen in W. J.'s Birmingham shop are used to all descriptions of Plated work for Gig, Railway Signal, and Shop Reflectors. Agent also for Patent Reflectors of all sorts.

GAS BURNERS of every description: Common Jets, Union or Fish Tail, Bat's-wing, &c., of the common Glasgow make, or the best Edinburgh (Milne's) make. When screwed jets are required, please to say whether London or Lancashire screw. Patent Argand Burners of several sorts, including the ALBERT SHADOWLESS BURNERS, the LUCENT BURNERS, of three sizes, so suitable when used along with the large Reflectors for Shop Windows.

* * *Information regarding all Patents and Improvements connected with Gas Lighting, and in most cases the Patented Articles, may always be found first at this Establishment.*

FILES, STEEL, TOOLS, &c.

This Department of his Trade was entered into solely at the solicitation of many valued Customers in Steel Goods, there being so many varieties of quality not appreciable till goods were used, that a desire was very generally expressed to get supplies through a reliable source. W. JOHNSTON in this, as in other branches, only arranged with first-class houses, on being put in a position to sell at same rates as if ordered direct from the Works. He is happy to be able to refer to the invariable satisfaction the goods have given. All sorts of Files for Engineers and Brassfounders, Steel for Turning Tools, &c. Stocks, Taps, Dies, Combs, Plumbers' Knives, Scrapers, &c., &c.

Properties & Prices OF THE METALS

CHIEFLY USED IN THE ARTS & MANUFACTURES,

Compiled from the most Recent and Authentic sources.

BY
WILLIAM JOHNSTON,
METAL MERCHANT,
GLASGOW.

PRINTED BY N. J. HOLMES & CO

COCHRAN STREET, GLASGOW.

Has just been published on a large Chart, 57 by 42 inches. PRICE, PLAIN SHEET, 15s.; VARNISHED, AND MOUNTED ON CLOTH AND ROLLERS, 21s.

The leading newspapers of England and Scotland have given long and very favourable notices of this Chart, from which are subjoined some short extracts:—

"The manner in which W. Johnston has accomplished this extremely tedious task, reflects the highest credit upon his tact and judgment. The sheet presents at one view an immense amount of information, of the greatest utility to all connected with the metal trades—the authorities quoted, as having been consulted in its compilation, being sufficient guarantee for its accuracy. Amongst the most important features, we may mention a diagram showing the prices of the principal metals on the first Saturday of each month during the last sixteen years, and tables giving the average prices for each year during the same period. There are also tables of the specific gravity, melting point, discoverer's name, and date of discovery of the several metals; with their order of hardness, ductility, malleability, heat-reflecting, and heat-conducting powers—electrical conduction, fusibility, tenacity, &c.; the Birmingham wire and metal gauges, and the modern Belgian zinc gauge, with their dimensions in decimals of an inch; thickness and weight of the several metals, tubing, &c., and their strength and power to resist pressure. The sheet, in fact, contains as much information in a condensed and tabular form, as could be gleaned from a large number of books, and tedious research."—*Mining Journal*, London, March 15.

"A monument of industry and knowledge of this important branch of commerce and trade, perhaps as durable, and certainly more universally useful, than many of those erected to commemorate the names and acts of merely local celebrities. Contains such an amount of information, of all kinds, connected with metals in every state, and in many manufactured forms, that IT WILL SERVE THE PURPOSES OF A DICTIONARY AND READY-RECKONER to all persons engaged in metallurgical processes—to metal manufacturers, mechanics, and merchants."—*Glasgow Herald*.

"Succinct and comprehensive. An extraordinary *vidimus*—invaluable for the counting-house of parties engaged in the metal industry of this country."—*Glasgow Citizen*.

"Large, elaborate, and beautifully printed. A more valuable adjunct to the business of the dealer in metals, or to the experiments of the man of science, could not well be conceived."—*Daily News*.

"No BANK, HOTEL, or PUBLIC INSTITUTION, should be without one copy, at least. So systematized, that no person can err in consulting it. Considering its dimensions, accuracy, and clearness, the chart is amazingly cheap."—*Bulletin*.

"Embraces every point in connection with metals, which the worker or dealer in such may require to know—will, we are sure, be extensively popular. We recommend it to the public, whose business will be facilitated, by ascertaining, at a glance," &c., &c.—*North British Daily Mail*.

"Can confidently recommend it to all who are connected with the metal trade."—*Birmingham Journal*.

"Must be invaluable—presents an immense amount of information."—*Manchester Examiner and Times*.

"There is not an item of *practical* information as to metallurgy, which will not be found in Mr. Johnston's admirably prepared and elaborate tables."—*Falkirk Herald*.

"To all who deal or work in metals, it will be found indispensable. It presents, in a shape easy of reference, in fact at one view, the contents of dozens of volumes, so far as practical utility is concerned."—*Edinburgh Daily Express*.

"A vast deal of labour must have been expended in the preparation of this sheet, and it gathers together a mass of information, which must render it extremely useful to all connected with the metal trades."—*Bristol Mercury*.
